

OMOLE USUANGBON

WEB DESIGNER & DEVELOPER

Lagos, Nigeria (Open to fully remote, global) • +234 813 209 7317 • omoleusuangbon@gmail.com • linkedin.com/in/omole

PROFESSIONAL SUMMARY

Web designer and developer with 4 years of experience building fast with AI-first tools, including Claude Code. Delivered a complete business website in 24 hours after two previous developers were paid but never delivered, and has designed and built 5 websites and web apps end to end, from copy and design to a working product. Comes from a growth and sales background, so builds sites made to turn visitors into customers, not just look good. Ships production-ready work in days, not months.

WORK EXPERIENCE

Growth Lead | JobMingle Limited, Lagos, Nigeria

Jun 2023 - Present

- Used Claude Code to build campaign landing pages and speed up content production across the marketing pipeline.
- Built a self-serve CV review tool with Claude Code that scores a resume against a 15-point checklist and returns a result in minutes, part of a career services line that has served 200+ paying clients.
- Generated 462 leads at ₦645 per lead (under \$1) from a single Meta Ads campaign promoting JobMingle's first paid cohort, converting 18 into paying students worth over ₦4.8m in sales, a 16x return on ad spend.
- Grew a 10,000+ member WhatsApp and Telegram community and a 9,000+ combined social media following through consistent organic posting.
- Led a 10-person growth and operations team and secured a partnership with EvolvateHR to host JobMingle's first career fair (2025).

Performance Marketer (Self-Employed) | Direct-to-Consumer Health Products

Feb 2025 - Oct 2025

- Wrote all ads, sales pages, and offers for a self-funded Meta Ads campaign, generating 194 orders over 9 months on a ₦10,000 daily budget.
- Ran creative testing, audience targeting, and pay-on-delivery order operations end to end.

Copywriter and Content Writer | CopyMachines, Remote (United States)

Nov 2022 - Feb 2024

- Turned 10 videos into SEO-optimized blog posts monthly for a real estate client, repurposing single pieces of content into multiple assets.
- Ranked an affiliate marketing client first on Google for four keywords within two months through keyword research and content production.
- Grew a client's social media following by 50% with brand-awareness content.

Lead Copywriter | Rectixam Herbal Company, Remote (Lagos, Nigeria)

Jun 2022 - Jun 2023

- Worked with the web team on high-converting sales page layouts across two product campaigns.
- Wrote new sales copy that outperformed the existing control by 9x within two weeks for the company's flagship product.
- Designed Facebook ad creatives that increased ad clicks by 25%.

Pharmacist | Community Pharmacies, Lagos and Benin City, Nigeria

Feb 2019 - Jun 2022

- Increased monthly sales by 10% to 25% across three pharmacies through targeted product recommendations and in-store sales strategies.
- Supervised a five-person team and served up to 60 customers daily while maintaining 100% dispensing accuracy.

WEB PROJECTS (SELF-INITIATED AND CLIENT WORK)

WaterBrooks Technologies – Built a complete business website in 24 hours after two previous developers were paid but never delivered, showcasing 200+ farmers reached, 18 land plots secured, and accelerator backing.

GluFloat – Designed and built a full web app end to end, from the landing page and pricing flow to personalized meal recommendations, using AI tools throughout.

CV Reviewer – Built a self-serve tool that scores a resume against a 15-point checklist in minutes, accepting PDF, Word, PNG, and JPG files with no signup required.

Sales Objections Toolkit – Wrote the ebook, designed the site, and built the checkout end to end for a one-page sales product, backed by a 30-day refund guarantee.

Designs & Konstruct – Built a professional site designed to be found on Google, with a clear path from landing to contact.
