

OMOLE USUANGBON

CREATIVE MARKETING MANAGER

Lagos, Nigeria (Open to fully remote, global) • +234 813 209 7317 • omoleusuangbon@gmail.com • linkedin.com/in/omole

PROFESSIONAL SUMMARY

Creative marketer with 4 years of experience owning campaigns end to end, from ad copy and landing pages to community growth and event promotion, especially via email marketing. Coordinated with an external creative agency on influencer and UGC ad content for an edtech brand's cohort launch, which generated 462 leads and a 16x return on ad spend. Builds with AI-first tools, including Claude Code for landing pages, ElevenLabs and HeyGen for video and voiceover production, and Canva, CapCut, and Picsart for creative execution, and picks up new AI tools fast.

WORK EXPERIENCE

Growth Lead | JobMingle Limited, Lagos, Nigeria Jun 2023 - Present

- Coordinated with an external creative agency on influencer and UGC ad content across Meta and TikTok, generating 462 leads at under \$1 per lead for a cohort launch campaign.
- Wrote conversion copy for ads, sales pages, and offers that turned 18 leads into paying customers worth over ₦4.8m in sales, a 16x return on ad spend.
- Used Claude Code to build campaign landing pages and speed up content production across the marketing pipeline.
- Grew an email list to 3,910 subscribers through website sign-ups, built a 9,000+ combined social media following across platforms through consistent organic posting, and expanded a WhatsApp and Telegram community to 10,000+ members through member referrals.
- Secured a partnership with EvolvateHR for JobMingle's first career fair (2025) and drove event promotion through email marketing campaigns to the subscriber list, while leading a 10-person growth and operations team.

Performance Marketer (Self-Employed) | Direct-to-Consumer Health Products Feb 2025 - Oct 2025

- Wrote and directed all ad creative, sales pages, and offers for a self-funded Meta Ads campaign, generating 194 orders over 9 months on a ₦10,000 daily budget.
- Ran creative testing across ad angles and formats to identify winning concepts, using a clinical background to turn complex information into clear, high-converting content.

Copywriter and Content Writer | CopyMachines, Remote (United States) Nov 2022 - Feb 2024

- Repurposed 10 videos monthly into SEO-optimized blog content for a real estate client, turning single pieces of content into multiple marketing assets.
- Wrote weekly webinar promotion emails and brand-awareness social content that grew a client's following by 50%.
- Produced content that ranked an affiliate client first on Google for four target keywords within two months.

Lead Copywriter | Rectixam Herbal Company, Remote (Lagos, Nigeria) Jun 2022 - Jun 2023

- Wrote sales copy that outperformed the existing control by 9x within two weeks for the company's flagship product.
- Designed Facebook ad creatives that lifted ad clicks by 25%.
- Collaborated with the web team on sales page layouts across two product campaigns.
